PROFILE

I enjoy being part of a team as well as working independently. I am quick to learn new ideas and concepts, and to develop innovative and creative solutions to problems. I can demonstrate high levels of motivation required to meet deadlines. Even under significant pressure, I possess a strong ability to perform effectively and I am a reliable person.

I am open to build on my extensive range of technical skills within a challenging role. I am keen to work in a suitable position and expand my knowledge in this role.
